AMENDMENTS FOR REQUEST FOR CONTINUED EXAMINATION

Dear Sirs:

The outstanding Office Action dated July 8, 2008, sets a shortened statutory period for response of three months. The present application was unintentionally abandoned by Applicant's failure to file a reply to the July 8, 2008 Final Office Action and a Notice of Abandonment was mailed February 5, 2009.

As the abandonment of the present application was unintentional, and this Petition to Revive is being filed on April 6, 2009, within two months of the mailing date of the Notice of Abandonment (April 5, 2009, being a Sunday) enclosed herewith is a Petition to Revive the application and the corresponding fee under 37 C.F.R. 1.17(m) along with a Request for Continued Examination and the appropriate response to the outstanding Final Office Action. In the event additional fees are deemed to be due, please charge our Deposit Account No. 13-0265.

Applicants respectfully request that the Patent Office consider the patentability of the pending claims in light of the following amendments and remarks.
